

HOURS OF OPERATION

Hours of operation for all dining locations are seasonal, and are posted online at dining.umd.edu

Dining Hall hours during the summer are based on Conference and Visitor Services contract schedules. We welcome independent groups during those hours.

DINING CARDS

Lost cards must be replaced in person at 1109 South Campus Dining Hall. The original account will be frozen and a new card issued (\$5 fee). Dining Services is not liable for transactions that take place before the loss is reported.

The requestor determines the amount and the valid period of time specialty cards are to be used in.

There is a no refund policy on these cards when the request includes pre-payment (cash, check or credit card)
